OFFICE: NO. 15 QUINCY STREET. FREW. HAGANS & HALL.

PROPRIETORS.

THURSDAY MORNING, MARCH 11.

The Capital of West Virginia was not located at Parkersburg, after all, but at Charleston, on the Kanawha.

These little paragraphs furnish pleasant reading for our amiable friend of the Parkersburg Times, who doubtless finds them from day to day as we do.

WE reprint from the Richmond Dispatch a paragraph about Charleston as the proposed Capital of this State, approving the location because Charles- very little but heating material. tion of the Capital there will hasten the re-union of this State to old Virginiaa weakness the Richmond people a weakness the Richmond people useless except with food deficient in carbaven't quite recovered from as yet. If the Dispatch is correct it will hardly ly used and for the same reason wasted, is sugar, which though useful with too help Charleston's chances of keeping

The people up at Washington, Pa., were made the victims of a Cabinet hoax last Friday. When everybody was anxiously waiting, some wag posted on the builetin board what purported to be a telegram, giving the following Cabinet: Trumbull, of Ill., Sec'y of State: Boutwell, of Mass., Sec'y of and causes the digestine of the system, embarts the digestine of natural food, and causes it to give us these troubles:

| Superfluous heat, but causes fermentation in the stomach and bowels, and causes or tends to cause, flatulence, colic, dyspepsia, and the thousand and one troubles of the digestive organs, which we are apt to impute to green vegetables and fruit, when the fact is, in their passage out of the system, embarts the digestion of natural food, and causes it to give us these troubles: Cabinet: Trumount, of hit, See'y of State; Boutwell, of Mass., See'y of Treasury; Schofield, See'y of War; and this is proved by the fact that those who avoid these expensive and useless articles may eat as much as they choose articles may eat as pout, N. Y., Attorney General. This was a good list, and everybody was in ecstacy over the new Cabinet. Shortly afterward a telegram was received giving the real Cabinet, but when it was announced it was pro-cooked in the simplest manner, best calculated to develop their natural flavor, and prepare them for digestion, were not troubled with flatulence, colic, since which is the Cabinet and which or indigestion. And our foremothers were not the pale-faced, flabby-muscled,

former statement made by it, that the
Hon. James M. Mason had arrived in
Baltimore. He has written to a friend

Brain and Muscle-The Food for Each.

Dr. Albert Bellows's book, How Not to be Sick," has some good suggestions about food. We quote a portlon of what he says in regard to BRAIN WORKERS.

our professional men have lived as other men live—eating what has come be-fore them without considering whether the elements they take are adapted to a sermon, and such phosphatic lood as trout and other fish, with unboited bread, vegetables and fruit, when idle or rusticating. But a little observation would show a vast difference in the quality of sermons whether made or Trade Mark. preached on the carobnaceous or phos-phatic diet; and the estimate of the old divine, "if the number of tons of beans and pork preached to every Sunday, while the owners were asleep, might be offset by an estimate of the number of congregations, not only in New Eng-land, but in Old England, and all the

rest of the fat and starch-eating world who are put asleep by sermons made from stupifying principles extracted from fat pork, fat L ' and superfine flour. The nitrates and phosphates of all meats and vegetables are partly soluble and partly insoluble; and, therefore, in soaking in cold water, all lose much

that is important, especially to the thinking man. In cold water, albumen is dissolved or lost, but in hot water the albumen is coagulated, and mostly re-MARRIAGES AND FUNERAL NOTICES, 75 tained; but in hot water as well as cold, the soluble phosphates are lost. Neither fish, nor meats, nor vegetables should, therefore, ever be pickled in brine, nor should they be boiled, unless it stimulates the vegetative power of the in a little water, as in the admirable arrangement of Zimmerman or Durklee, where all the soluble materials, as well as all the flavor, are retained in the

ture intended. In roasting, or brolling, or, indeed, in any manner of cooking, care must be taken not to burn up, or othewise destroy or lose any of the juices of either pressers. Manufactory No. 88 Maiden Lane, vegetables or animal food; especially is this important for thinking men, and for those whose digestion is full—the power of the stomach, as well as the power of the brain, being dependent on

When the bill to locate the Capital at
Parkersburg passed the House, it was
telegraphed all over the country and
was generally understood by the newspapers as a final location. Ever since
the location at Charleston they have
the location at Charleston they have
the power of the brain, being dependent on
soluable phosphorus. And especially
is the power of the brain, being dependent on
soluable phosphorus. And especially
is the power of the stomach dependent on
soluable phosphorus. And especially
is the power of the brain, being dependent on
soluable phosphorus. And especially
is the power of the stomach dependent on
soluable phosphorus. And especially
is the power of the stomach dependent
on the flavor of the food. Let any one
try the experiment of cooking meats,
fish, potatoes, carrots, turnips, or any
other food—animal or vegetable—in a
steamer in which the flavor and all the
steam are distilled back and saved, and
compare the taste of these with that of been correcting themselves. Every day the same food cooked so that all these health by this means tells you to have couror two we find such a paragraph as this elements are lost, and he will be astonished at the difference in flavor, digestibility, and mental and physical energy imparted by it.

MUSCLE WORKERS. From the chapter on "Food for la boring Men," we make some valuable selections also. The kinds of food most wanted, because eaten when not wanted by the system, are the most expensive. The article most used when not wanted, is superfine flour, out of which has been bolted a large portion of is nitrates and phosphates. This being used with butter and sugar, furnishes very little but heating material. The which contains not a particle of strength or life giving material, and therefore acid fruits, and as a part of a meal in superfluous heat, but causes fermenta-

of green vegetables and fruits, and ANOTHER REBEL COMING BACK.—
The Winchester (Va.) Times corrects a

da in a few days, but will no reach home before the 15th of March.

Vice-President Colfax is not to be

Vice-President Colfax is not to be Vice-President Colfax is not to be "caught napping." A day or two since Senator Grimes tried it by moving "the previous question" suddenly, but Mr. Colfax quietly informed him that the Senate rules did not recognise such a motion.

Senator Sumner's persistence is certainly admirable. Monday he discontains the nitrogen, phosphorus, and

fect assurance as the results of wise and careful observation and practice. Wherever a tomato will grow, he assures us, the fig may also be cultivated with success.—Cincinnati Chronicle. competition orders of a retail character.

DIOSMA CRENATA—BUCHU LEAVES.

PROPERTIES.—Their odor is strong, diffusive, and somewhat aromatic, their taste bitterish, and analogous to mint.

MEDICAL PROPERTIES AND USES.—Buchu leaves are gentily stimulant, with a peculiar tendency to the Urinary Organs.

They are given in complaints of the Urinary Organs, such as Gravel, Chronic Catarn of the Bladder, Morbid Irritation of the Bladder and Uretha, Disease of the Prostrate Gland, and Retention or Incontinence of Urine, from a loss of tone in the parts concerned in its evacuation. The remedy has also been recommended in Dyspepsia, Chronic Rheumatism, Cutaneous Affections, and Dropsy.

Helmbold's Extract Buchu is used by persons from the ages of 18 to 25, and from 35 to 55, or in the decline or change of life; after Confinement, or Labor Pains; Bedwetting in children.

In affections peculiar to females, the Extract Bushu is unequaled by any other remedy, as in Chlorosis, or Retention, Irregularity, Painfulness or Suppression of Customary Evscuations, Ulcerated or Schirrous state of the Uterus, Leucorrhea, or Whites.

DISEASES OF THE BLADDER, KIDNEYS, GRAVEL, AND DROPSICAL SWELLINGS.—This medicine increases the power of Digestion, and excites the Absorbents into healthy action, by which the Watery or Calcareous depositions, and all Unnatural Enlargements are reduced, as well as Pain and Inflammation.

Helmbold's Extract Buchu has cured a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case of Diabetes in which it has been a very case

10, which is 15-10 acres in size, is the stone hotel, now occupied by Mis. French, with all the improvements, comprehending stables, ice houses, &c. The remaining jobs, numbered 1, 2, 3, 4, 5, 11, 12 and 13, leepectively, are without improvements, but favorably located for residences and excelling any other body of land in Ohio county for gardening purposes. The hill property connected with the estate is laid off into two farms, the first of which contains 65 acres, occupied by James Smith, bounded on the east and north by Atkinson's ridge road, easy of access, well timbered, productive and two-thirds arable land, together with two substantial frame tenement houses.

The recond farm fronts on Little Wheeling Creek, not more than 70 yards from the Cumberland road, extending back to the ridge road, thereby glying two desirable outlets, one by the National turnpike and the other by the County road, containing 80 acres. The hill portion of this property abounds in timber of the best quality, whilst the low lands are well adapted to farming purposes. Parties desiring a more particular description of the above property are referred to two plats of survey of the same, one at the Recorder's office of Ohio county, and the other at the residence of J. F. Smith, on the premises, or to one of the undersigned Commissioners. Possession given on lat day of April.

Commissioners. Possession given on incumy of April.

TERMS OF SALE:—One-third of the purchase money in cash, and the remainder in two equal instalments, payable, the one at one year, and the other at two years after the day of sale; the title to the said land and premises being retained as the security for the payment of said two deferred instalments.
